Byte Back (<http://www.byteback.org/>)

Washington, DC

Byte Back provides computer literacy classes, courses in computer software and hardware, job readiness training and classes to prepare our students for eight industry recognized information technology (IT) certifications. We prepare our students for employment opportunities that are abundant and growing in our area. Our goal is to assist students in obtaining and developing careers that provide living wages with opportunities for advancement. We provide classes at nineteen satellite locations that are accessible by public transportation.

Byte Back's mission is to improve economic opportunity for low-income residents of the Washington DC area by providing computer training and employment readiness skills.

The goals of Byte Back are to:

- Provide high-quality computer courses to unemployed and underemployed residents of Washington, D.C. and the surrounding communities.
- Supply job readiness assistance including preparing for job interviews, developing resume writing skills and assistance with job search.
- Assist unemployed and underemployed residents in obtaining employment that pays a living wage.
- Offer deeply meaningful volunteer opportunities to professionals, employees in the technology industry and program alumni.

Children's National Medical Center (<http://www.childrensnational.org/GetInvolved/>)

DC, MD, VA Regional Area

Children's National Medical Center is the only exclusive provider of pediatric care in the metropolitan Washington area and is the only freestanding children's hospital between Philadelphia, Pittsburgh, Norfolk, and Atlanta. Serving the nation's children for 140 years, Children's National is a proven leader in the development and application of innovative new treatments for childhood illness and injury.

As the nation's children's hospital, the mission of Children's National Medical Center is to excel in Care, Advocacy, Research and Education.

We accomplish this through:

- Providing a quality health care experience for our patients and families.
- Improving health outcomes for children regionally, nationally, and internationally.
- Leading the creation of innovative solutions to pediatric health challenges.
